

# WINDOW WONDERLAND ENTRY PACK

Welcome to our Window Wonderland entry pack. We hope this is a fun and festive competition to do during lockdown and the below information should provide you with all the information you need, but if you have any questions please contact [info@nauntonpark.co.uk](mailto:info@nauntonpark.co.uk)

Remember there are great prizes to win!  
There will be a prize for the best window, but also all entries will be entered in for a prize draw - so anyone could win! Each entry will also win a small prize.

**DEADLINE FOR ENTRIES: MONDAY 7TH DECEMBER**

Once we've received all the entries, we will create a Window Wonderland map of where the windows are, with a question about each one, to create a covid-friendly outdoor quiz for families to get involved with over the Christmas period.

All proceeds from this activity will support Naunton Park Pre-School Playgroup fundraising. As a registered charity, the pre-school depends upon fundraising support to help provide further improvements and enrichment for the children.

# INSPIRATION AND TEMPLATES

We can't wait to see all your festive entries and we hope to make this a magical event that will really help everyone get in the Christmas spirit.

To help you we've pulled together some inspiration pictures. We have also included some templates – entry could be as simple as getting your child to decorate one of the templates and placing it in your window.
