

# Naunton Park Pre-school Playgroup

## Extreme Weather and Closure Policy

### Extreme Weather and Enforced Closure Policy and Procedures

It is the policy of Naunton Park Pre-School to try and remain open in all weather conditions as long as it is safe to do so.

We always work in partnership with Naunton Park Primary School and take into account their decision on whether they will close or remain open. All information regarding closures will be posted on the main school's website, [www.nauntonpark.gloucs.sch.uk](http://www.nauntonpark.gloucs.sch.uk) and on Gloucestershire County Council website <https://closures.gloucestershire.gov.uk/>

The pre-school would be subject to emergency closure if there is a breakdown in any facilities (such as heating or water) that would contravene the health and safety of the children.

With regards to staff illnesses, the pre-school will remain open as long as staff ratios can be maintained. If this proves to be difficult, it may be necessary for us to close temporarily but this would be in extreme circumstances and everyone would be notified. Information will be posted on the [Facebook page](#), and a staff or committee member will phone the affected families.

***For details regarding closures related to Covid 19, please see the separate Covid 19 procedures document.***

This policy was adopted at a meeting of Naunton Park Pre-School Playgroup in November 2020.

Held on ..... Signed on behalf of the playgroup.....
